

Leading from Full Presence

Group Coaching Program

Rome

From November 15-17 2019

AUREA Consultancy (Amsterdam) & Meaningful Coaching (New York) are organizing a prime Group Coaching Program in the iconic city of Rome, Italy. The CaputMundi (capital of the world) in Roman times, is the perfect backdrop for this event.

The program has been designed for managers in preparation for leadership positions, and will be presented by Tina Mertel; Author of Meaningful Coaching, co-presented by Dan McClellan; an experienced international advisor on strategy & organizational leadership. Accompanied with cultural tours to discover Rome's impressive historical heritage.

For further information and details on this learning event, its objectives, gained skills and after event services, please contact the following:
