

AUREA Startup

Create your unique startup voice, character and visibility for entrepreneurial success

Does your business tell a story, evoke a powerful theme and does it sustain its corporate presence?

Does your business possess the right house style and brand signature?

Does your business articulate your brand feel, and does it communicate it effectively?

The AUREA Consultancy Startup and (re)Branding packages translate your entrepreneurial enthusiasm and intellect into a unique, clear and attractive corporate image.

With an original story and concept that is expressed in artistic, high-quality design of your website, logo and corporate image, your Startup is destined for success. Our international team of experienced consultants, writers, photographers, designers and coders will help you create or reshape your unique business feel, accompanied by an attractive corporate image.
